Response to Amendment

Allowable Subject Matter

Claims 1-24 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record neither teaches or suggests a surgical navigation method or apparatus as claimed whereas a perspective inversion is used to recites the data processor being operable to generate a three-dimensional representation of the surgical instrument as it would visually appear from at least two different perspectives and to overlay the representation of the surgical instrument onto the image data of the patient in the image or a data processor being operable to generate a three-dimensional representation of the surgical instrument as it would visually appear from either the first or second perspective.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel I. Robinson whose telephone number is 571-272-4788. The examiner can normally be reached on M-F 5:30am-2:30pm.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
